

COTRI IN THE NEWS

China's outbound tourist numbers exceed forecast

By Chief Assignment Editor - December 17, 2018

Quote:

“The **COTRI reports** that in 2018, more than 78 million of all border crossings from Mainland China, ended in Greater China (Hong Kong, Macau and Taiwan). The other 52% went further beyond, bringing close to 84 million Chinese to destinations around the world.”
