What best suits Chinese visitors to the Maldives?

By Hotelier News Desk, June 17, 2019

Quote:

“The reason for this change is explained by Professor Dr Wolfgang Georg Arlt, director of China Outbound Tourism Research Institute (COTRI) in Hamburg, Germany. He said, “After a decade of growing outbound tourism, more and more Chinese have not only the money but also the experience that enables them to clearly say what they want to do while travelling with their friends, family or colleagues.”
