## **China can play leading role in APAC travel recovery: AAPA**

An interview by Caroline Boey with Prof. Dr. Wolfgang Georg Arlt FRGS FRAS  
26.October.2020

### **Quote:**

“It is urgent that all countries in the region come to an agreement with China to accept a procedure which does not include quarantine, but accepted standard testing before and after each flight or border crossing as well as agreed protocols for safety and sanitation standards for hotels, sights, transportation, etc in each destination”.
