## Travel rebound fuels optimism

An interview with Prof. Dr. Wolfgang Georg Arlt FRGS FRAS  
by WANG MINGJIE, 03.November.2020

### Quote:

“As Chinese tourists were responsible for one out of eight international trips last year, Arlt said Chinese outbound tourism will be a major force in the recovery of the international tourism market, especially for many destinations that do not have a major domestic market and rely heavily on Chinese visitors”.
