

Chinese Tourist Welcome Award

WINNERS

2004-2019

The CTW Award has been organised by **COTRI China Outbound Tourism Research Institute** since 2004. More than 100 tourism service providers, Destination Management Organisations, National Tourism Organisations, retailers, marketing and communication companies and others involved in the Chinese outbound tourism source market have received awards. The award is recognised inside and outside China as the most important quality sign for the international Chinese outbound market, with wide coverage in print and electronic media.

Having first taken place at ITB Berlin in 2004, the CTW Award ceremony is held at ITB China in Shanghai, the main fair for Chinese outbound tourism.

Following, a list of all winners per year and category.
